25X1X A barracks installation which consisted of one three-story building was directly to the west of Sverma Square (Marianske Square) in Ceske Budejovice (0-494 464) and had only one entrance, which fronted Sverma Square. The sentry wore black patches with silver crossed-hatchet arm insignia. [] 60 soldiers who wore black patches and went downtown in small groups. No activity whatever was observed in the courtyard.

25X1 [] Comment: In 1949, combat engineers occupied this barracks installation. The 1st (?) Engr Bn of the 1st Mtz Rifle Div is presumably stationed at the installation. It is believed that the majority of the troops was at the summer camp.
